

Opening Prayer for Ministry

Lord God. I ask You for a clean safe place to this work. I ask that You lend us your wisdom, understanding and kindness. You are the healer, the deliverer, the teacher. Please guide us today.

Angels. I activate you in the name of Jesus.

Demonic world; kingdom of darkness and everything captured, controlled, and influenced by you, I deactivate in the name of Jesus. There will be no reporting, recording, observing or eavesdropping. You will not influence or interfere in any way. You will not obscure or twist. I forbid it in Jesus' name.

Angels. Enforce that boundary. Beat any demonic being that does not obey me until it obeys.
